 Saurabh Wagh

EDUCATION

- ❖ Computer Science | Shri Ramdeobaba College of Engineering CGPA: 9.44 | 2025
- ❖ XII | Kamla Nehru Mahavidlaya 94.83% | 2021

EXPERIENCE

- ❖ **Backend Engineering Intern | LIFES** (Jul 2023 - Present)
Development of a robust database, secure authentication APIs, and location tracking systems, enhancing user experiences for an ambulance-based service startup.
- ❖ **FullStack Developer Intern | Technology Business Incubators** (Jul 2023 - Present)
Orchestrated end-to-end development of an innovative online course marketplace, prioritising user- centricity and seamless learning experiences, including robust backend systems and secure payment integration.

ACADEMIC PROJECTS

- ❖ **Link Based File-Sharing API** 
Multi-File Sharing & Download API, simplifying simultaneous file sharing and generating convenient download links(zip format), optimising data sharing efficiency.
- ❖ **Live Video Chat Application** 
Created a dynamic live video chat app with Agora API, allowing users to easily create and join chat rooms via shared codes, and implemented advanced controls for microphone and video settings, elevating real-time communication.
- ❖ **Role Based Customer Management System** 
Developed a Customer Management Website with role-based access, streamlining order placement and providing admin oversight, optimising order processes and elevating the customer journey.
- ❖ **Memories Portal : An Immersive Nostalgia Platform** 
Crafted a feature-rich Memories Website for seamless event documentation, combining user authentication, database management, and immersive photo-driven nostalgia.

POSITION OF RESPONSIBILITY

- ❖ **Technical Head | Technology Business Incubators RCOEM** (Oct 2023 - Present)
As Technical Head, I orchestrate and elevate technical events while meticulously curating the TBI website, enhancing the student experience to new heights.
- ❖ **Web-Developer | Google Developer Student Club.** (Sept 2022 - May 2023)
As Technical Head, I orchestrate and elevate technical events while meticulously curating the TBI website, enhancing the student experience to new heights.

ACHIEVEMENTS / HOBBIES

- Inter School Kabaddi championship winner.
- Inter School science exhibition winner.
